FOR IMMEDIATE RELEASE: PROGRAM FUNDING ANNOUNCEMENT **PRIME TIME PALM BEACH COUNTY: 2022 AWARD TO MEMORY TREES**

Memory Trees Corporation, a leading charity specializing in the creation and delivery of innovative after school curricula, was awarded two funding grants in the amount of \$40,000 and \$24,000, respectively - by **Prime Time Palm Beach County**. **Memory Trees** will use the funds to deliver **STEAM** workshops to middle school students located in disadvantaged areas in Palm Beach County.

Memory Trees' STEAM Academy offers students a rich, interactive, fun, hands-on educational experience, overseen by qualified tutors.

- The **STEAM Academy** curriculum introduces computer science, data analytics, data interpretation, apps, problem solving, and data input. Students explore online data research and data entry for our proprietary live google app, **ZeroHunger** (Google Play). Collected Data is analyzed and verified for entry. After approval by our Administrator, the data is entered into the hosting server. Students receive Certificates of Accomplishment upon completion of the program.
- **Junior Creators** offers opportunities to learn web and physical product creation, financial literacy, literacy, etc. The curriculum includes entrepreneurship, teamwork, problem solving, leadership, and future career skills. Students receive Certificates of Accomplishment upon completion.

“Thank you, Prime Time, for making the STEAM programs possible! It’s amazing what the students are able to achieve when they explore creative thinking strategies, then realize that they are able to help people, while impacting themselves and the world around them.”

- Reece Bester, Program Director
